

# **Stepfamily Foundation Membership Packet - \$85**

*What you need to know ...the basics*

## **LIVING IN STEP**

The **first** book *ever* written to look at the stepfamily from all points of view. It depicts the point of view of each member.

There are 60 million stepparents in the United States today. Prior to LIVING IN STEP, no book had been written that defines the problems and offers advice on conflicts endemic to each member of the stepfamily. How does a stepparent deal with natural hostility encountered from the stepchildren? Who comes first?

By identifying the roots of the problems LIVING IN STEP helps step-people achieve family harmony they often did not think possible.

## **FAMILY RULES**

Would you like to create a well-run family team where you are clearly the leader? Would you like to come home to a house where everyone says please and thank you, shares the housework, and truly enjoys dinner together? Do you long for a home-life where children feel loved and cared for and you feel respected and in control?

FAMILY RULES not only gives you the tools you need to create a happy well-run family but the parenting skills to develop character, self-discipline, and self-esteem in children. Easy to institute and easy to follow, FAMILY RULES is the best way to bring stability and tranquility to your home.

## **HOW TO STEPPARENT**, the audio book on CD

A one -hour audiobook produced by the world famous audio publisher *Nightingale-Connant Audio*. The behaviors of stepfamilies are dramatized with the voices of parents and children. Lofas labels the behaviors such as, The Conflict of Loyalties, "Who Comes First" and more. She explains what each behavior means in a stepfamily.

## **STEPPARENTING**

For couples in step situations, making it all work can be an awesome challenge.

In this newly revised and updated edition STEPPARENTING, Jeannette Lofas draws on her twenty-year track record of counseling and coaching stepfamilies and provided up-to-the minute advice for dealing with the many baffling and emotional issues that beset them today.

Practical, supportive, and utterly authoritative, STEPPARENTING provides all the techniques tools and strategies you need to make a happy and successful stepfamily. It is the top-selling book for 20 years on stepparenting.
